March 29 - 31, 2005  
North Newton, Kansas  
Bethel College**

WORKS! 2005 - March 29-31, 2005 - North Newton, Kansas

**WORKS! 2005**

Indoor exhibitors are furnished a 8'x10' space with pipe and drape, one covered table and two chairs. Electricity will be available upon request.

We have held the rate for indoor exhibits to the low investment cost of just \$300. Space is **limited** and registrations will be available on a **first come - first served basis**. Exhibitors registering prior to February 25 will be listed in the conference program. Registrations received after March 1<sup>st</sup> will be accommodated on a "space available" basis only.

Each paid exhibit registration receives one complimentary conference registration. Additional exhibit representatives attending the conference and meals need to register for the conference and pay the additional fee(s).

Space is available for outdoor demonstrations of recycling, composting and household hazardous waste equipment at the Harvey County Transfer Station. The rate is \$500 which also includes an indoor exhibit space and 2 registrations. Electricity will not be available at the demonstration site.

### Who Attends? . . . Key Decision Makers!

- ★ County Commissioners, County Engineers, Extension Agents
- ★ Mayors, City Administrators and Managers, Parks and Public Works Directors and Superintendents
- ★ Landfill Operators, Solid Waste Collectors, Recycling, Composting and Household Hazardous Waste Coordinators, Regional Solid Waste Officials and Planners, Government Officials
- ★ Foresters, Conservationists, Gardeners, Teachers, Students, Environmental Writers, Farmers, Tree Board Members, Environmental Activists

Companies and organizations involved in recycling, composting, or household hazardous waste management are invited to exhibit or demonstrate their products at the 11th Annual **WORKS! 2005**. The number of exhibitors has grown steadily each **WORKS!** conference. So too, have the number of conference attendees who consider the exhibits and machinery demonstrations among the highlights of the conference.

### Why Exhibit?

Personally meet your customers, competitors, and suppliers

Prospect for new customers

Introduce new products and services

Recruit distributors and dealers

### REQUEST FOR MORE INFORMATION
